Death by Cashmere

“[A] charming and delightful read. This book has a strong sense of place — so strong one can smell the seaweed. Delicious.”

— Alexander McCall Smith

Not long after Isabel “Izzy” Chambers opens up a knitting shop in the sleepy fishing town of Sea Harbor, Massachusetts, a diverse group of women begins congregating each week to form the Seaside Knitters. Izzy raises some eyebrows when she rents the apartment above her shop to Angie Archer, whose reputation for loose behavior and a quick temper has made her unpopular with many locals. But could any of them have wanted her dead? Angie's body is discovered drowned in the harbor, her long red hair tangled like seaweed in a lobster trap.

An official investigation rules the death an accident, and speculations abound: too many whiskey sours, a slippery wharf, a dark night. But Izzy and the Seaside Knitters smell something fishy, and soon decide to take matters into their own hands.

LEWIS B. PATTEN
The Gun of Jesse Hand

Jesse Hand was little more than a boy the first time he used a gun. He saw two strangers kill old Charlie Two Horses. Charlie was the town drunk, but he was harmless and didn't deserve his fate. So young Jesse shot both men in a burst of fury.

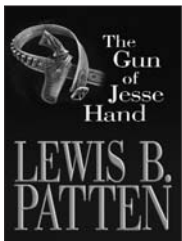

From that day forward, Jesse Hand became one of the most feared gunmen in the West.

But the day came when Jesse Hand had to make a choice: lay down the gun for good — or die with his boots on.

LEWIS B. PATTEN was awarded the Golden Saddleman's Award by the

Western Writers of America for his collected work. The dominant theme of his books was justice — and the mass conformity that allowed so much injustice to prevail. He wrote over 100 novels, many of which were made into movies.

Corral Canyon

"The best in the business." — Kirkus Reviews

When Al Castle stumbled into a place in the mountains, which was completely surrounded by nearly-vertical cliff faces, he made camp. The following morning, he was routed out by the noise of cattle — and two bearded, hard-faced men.

That they were part of a gang that had stolen cattle seemed to be a reasonable suspicion, but later some hard facts emerged. Now, because Al Castle had been inside the canyon corral, local folks believed that he was one of the rustlers as well. There was a lynching party set up for Al Castle, and it looked like he would surely be a dead man soon.

CHRISTA PARRISH

Home Another Way

“Parrish allows readers to savor every moment of genuine, hard-earned human connection. With its vast array of richly imagined characters, its humor and its substance, this debut is sure to resonate with a wide and appreciative audience.” — *Publishers Weekly*

Following her mother’s death and her father’s abandonment, infant Sarah Graham was left to be raised by her emotionally distant grandmother. As a child, she turned to music for comfort, and eventually was accepted by Juilliard. But an unplanned pregnancy and the birth of a stillborn baby put a screeching halt to her potentially brilliant career.

Now twenty-seven, Sarah lives hard to escape her past. But when her father dies, she travels to New York to claim her inheritance. Once there, she learns that her father’s will stipulates she must stay for six months. Sarah settles down for what she sees as a prison sentence. But as the weeks pass, she finds herself connecting with the townsfolk. Can they teach Sarah how to forgive and find peace?

POPULAR CHRISTIAN AUTHORS IN A VARIETY OF GENRES!

LINDA EVANS SHEPHERD AND EVA MARIE EVERS

The Secret’s in the Sauce

“Recommended for CF and women’s fiction collections.” — *Library Journal*

In the small Colorado town of Summit View, a multi-generational group of women from Grace Church meet once a week to pray, and share home cooking. They call themselves the “Potluck Club.”

Now, the women of the Potluck Club have decided on a bold move. They’re going to launch a catering business that’s like them: saucy, spicy and well-seasoned. But will personality quirks and secrets cause the business to crumble before it gets off the ground?

As the women focus on their new venture, they’ll have to deal with a steamy past that threatens a marriage, a scalding truth about people they thought they knew, and the outrageous situations that come out of an unexpected — and revealing — trip back home.

In the “potluck women,” the authors have created real women with genuine imperfections — women that Christian readers will relate to and love.

MARCIA GRUVER

Diamond Duo

Texas Fortunes Series

1877 Jefferson, Texas. Bertha Biddle is in love. The fellow seems interested, but something’s holding him back. When a charismatic stranger rolls in on the northbound train offering to teach Bertha the art of wooing her man she leaps at the chance. But when the woman is found cruelly murdered, Bertha realizes their meeting held eternal significance.

Thaddeus Bloom is way past smitten with Bertha. But his father has determined that Thad will be the family’s first college graduate. Thad’s bound for military school and must leave his feelings for little Bertha behind. Trouble is, it’s time to leave, and he can’t muster the starch to say goodbye.

The search for young Doriann could cost Terell and Jama their lives. But revealing her secret shame to the man she still loves scares Jama more than the impending danger . . .

ROBERT CORNUKE WITH ALTON GANSKY

The Bell Messenger

Jeremiah Tate, a battle-hardened Union officer who has long since forgotten God, shoots Elijah Bell, a young Confederate soldier. As Bell lays dying, he hands Tate a worn Bible.

More than a century later, Gary Brandon receives the ancient Bible as a college graduation gift. His Uncle David claims to have dug it up in a Saudi Arabian cave — a story Gary views with some skepticism. It's Gary's search that finally reveals the Bible's potent history. But it also leads Gary to the search for a mysterious cache of gold, which brings some shadowy figures hot on Gary's heels.

As the past and present intertwine, the reader learns that this Bible has passed through many hands over the years. From the Civil War to the Central Pacific Railroad, to the gang wars and the holding of Chinese slaves in nineteenth-century California, to the trenches of World War I. Gary learns of lives this Bible has saved, deaths it has caused, and history it has changed.
